

BODY BY BODYART

With Robert Steinbacher & Alexa Le • 120 min • VHS > VBODYBY226B

By mixing different modes and styles Body By BodyART enables you to achieve a new state of stability using your own body. With original and mindful sequences and a realistic sensibility the BodyART team leaders Robert & Alexa are able to increase your focus, your awareness and most importantly your sense of well being. This video in particular is aimed at teachers and students alike. Teachers will take great inspiration from the innovative sequencing of movements as well as the presenters succinct and stimulating delivery and style. Students wishing to really enjoy a well rounded and functional Body & Mind workout will revel in its simplicity and functionality. The workout is 2 hours in length and has been split up into individual sections allowing you to choose which "focus" elements you prefer to work on.

HOT! LATIN DANCE STEP

With Robert Steinbacher • 95 min • VHS > VHOTLAT085C

Robert is fast becoming an institution in the global fitness industry. Famed for his explosive movement style and finely tuned teaching skills he is a master on the fitness scene and a maestro in the dance world. This video provides proof with a showcase of his two fortes. It begins with some superb step sequences that focus on dance on, over and around the platform. It concludes with a Robert specialty; Latin inspired Dance. He easily transforms previously simple dance sequences into fiery and hot Latin sensations. This video shows that movement & emotion are the backbone to Roberts appeal and with him you to will find the inner power & fire.

BURN & TONE - Interval Cardio & Muscle Training

With Jutta Schuhn • 70 min • VHS > VBURNT0024

See how effective just one hour can be by alternating cardio and toning components into one workout. Divided into separate segments of easy to follow step training, that focuses on cardio over brain workout and followed by resistance and muscle training exercises, this workout is a must for anyone looking to Burn & Tone. Viewers are urged to achieve their goals by maintaining their own pace and gauging their success on their own terms. Making this video a must for anyone wanting to find a sense of strength and well being within themselves. A workout for all your bodies needs, this interval training video will motivate and inspire you. Designed for students and instructors alike Jutta; with her many years of presenting and education expertise, seamlessly links together clear and functional elements assuring a great workout in just 60 minutes.

BBP & MORE

With Jutta Schuhn • 60 min • VHS > VBBPMOR026

This video is not only perfect for instructors to get inspiration and new body conditioning new ideas but it is also a great home workout as well! Jutta's easy to follow instruction matched with effective and functional exercises will help tone and strengthen all the important muscles. With a focus centered on strong abdominals, buttocks and thighs, Jutta shows how easy it is to have a motivating and effective workout without using any equipment. This really is the most effective and fun way to workout for every body.

German spoken video!

MIND OVER MATTER Body Conditioning, Strength, and Core

With Adi Rothman & Yoav Avidar • 90 min • VHS > VMINDOV080

This is a precious fusion of "his" innovative strength exercises coupled with "her" magical, rhythmical sequences. A melody of sensibility and sensitivity that just might be your most memorable encounter with love at first sight. Packed and overflowing with revolutionary sequences, this video incorporates today's "buzzwords" that are an absolute must in any fitness professional's repertoire or fitness enthusiast's regime.

Filled with mindful & clear execution & technique as well as smooth, easy to follow cues you will begin to understand how this fitness duo are the perfect match. With graceful implementations of logical kinesiology, calming instruction and pure movement, enter a new world through this pure strength, stability & balance, core & power, mind & body conditioning video.

CONTAGIOUS CHOREOGRAPHY Stepindipity & Steptococcus

With Adi Rothman & Yoav Avidar • 76 min • VHS > VCNTAG085

This two part, double bill, triple threat feature has over double the step choreography compared to a normal video release and is triple the value including original & ornate new blocks, finely tuned breakdown tips and pulsating personalities from the "Dynamic Israeli Duo".

Section 1 Stepindipity - Adi Rothman: Adi Rothman's delightfully insightful & inspirational creations are joyfully incorporated into this truly overloaded step dance session. Within minutes the "Princess of Step" will have you posing like one of "Charlie's Angels" and twisting like only your folks knew how. After Adi puts it all on display with easy to follow layering and catchy cueing, you might even catch some "Saturday night fever" This is an inspirational and astoundingly original set of choreography masterpieces and is sure to have you yippy, skippy and stepindipity all the way through your own classes.

Section 2 Steptococcus - Yoav Avidar: Warning: Highly Contagious!!! This video is going to be your all in one "Creativity Flu" shot for the year. Let Yoav vaccinate your choreography with terrific tips for creating perfectly balanced workouts and loads of challenging, tap free, super dance style choreography. All wrapped up with a healthy spoonful of logical teaching techniques and smooth as syrup style. So get ready to take part in this dangerous mix of creativity and logic! This is not your grandma's Chicken Soup...its even better...its Soupendous!

CARDIOGRAPHY - Step & Aerobic Dance

With Yoav Avidar • 95 min • VHS > VCARDI0018

This rhythmic biography tells a personal tale of curious creativity, mindful thought and tailored technique. Each move and phrase has been delicately put together by world renowned "author" Yoav Avidar who brings you the whole story and more. Without sacrificing a single detail he effortlessly moulds and manipulates a feature length masterpiece. In this heart racing, mind teasing, leg lifting step and aerobic dance epic you will find a real mind and body workout with choreography that is sure to be this year's number one bestseller.

SYMMETRICAL STEP

With Rebecca Small • 60 min • VHS > VSYMMET247B

Experimenting with rhythm and direction variations, Rebecca's promise to deliver solutions and ideas in the shape of new sequences never before seen is fully realized. Even if you are new to teaching this video offers something for anyone. Always beginning with the basics and then observing fluid yet flawless, logical learning curves, Rebecca's gradual ascent towards original and achievable choreography ensures that you develop your own teaching skills along the way. You'll appreciate the cutting edge choreography, immaculately broken down and layered to perfection.

COMBO MANIA

With Steve Schiemer • 60 min • VHS > VCOMBOM246B

In this two part video release Steve takes you through some of his latest and greatest step choreography. Starting with easier blocks, Steve slowly ups the pace till he has you performing patterns you never thought possible. He then uses the same seamless skills to work wonders with Aerobic choreography. Both segments are jam packed with new and original choreography sequences allowing for a multitude of possible variations. All of the choreography in this video is multileveled allowing the viewer to choose specific points in a combination progression to use for particular students skill level. Subsequent layers end elements can be saved and used at a later time, meaning greater choreography mileage.

DANCE SENSATIONS

With Jessica Exposito • 60 min • VHS > VDANCES245B

Who better to show you how to dance that Latin sensation Jessica Exposito? With her relaxed and effortless style she weaves magical movements and creative layers from humble beginnings into Dance Sensations. Jessica uses a traditional and yet original layering method that allows all teachers with any background to follow and teach this style of dance choreography. Showing both Aerobic Dance and Latin dance styles this video really lets this new evolution video star shine. Viva Espana!

DANCE OFF

With Robert Steinbacher • 70 min • VHS > VDANCE0242B

A double bill from the master of movement and all things Dance! Robert has jammed this new release full to the brim with new ideas for Dance, Latin and Step classes. The video is partitioned into a hot dance step workout that incorporates fluid and intricate step routines that begin sublimely and simply but end with a flourish of dance inspired layers and grace. The Dance / Latin section shows you just the way to take simple rhythmic movement and easily turn them into movement masterpieces. When Robert invites you to a Dance Off!...you must comply!

BODY ART 2

With Robert Steinbacher • 60 min • VHS > VBODART231C

Aus diesem Ansatz hat BodyART ein Video entwickelt, das sich mit der Korrekten Ausführung, der Technik und den "basic cuings" verschiedener Übungsabfolgen auseinander setzt. Oft gesehene exercises aus den verschiedenen Body/Mind Trends werden in der Essenz erfasst und erklärt. Dies hilft Dir als Trainer, die Übungen zu verstehen und fundiert in deine Unterrichtslektion einfließen zu lassen.

Im Unterschied zu den herkömmlichen Videos, hat das BodyART Video keinen ausführenden Instruktor, sondern richtet den Fokus auf den ausführenden Teilnehmer. Das erlaubt Dir einen Einblick zu bekommen, wie man als Trainer seine Teilnehmer verbal und taktil in die richtigen Positionen und Abfolgen führen kann.

LATIN HEAT

With Nick Beyeler • 60 min • VHS > VLATHEA248B

Another great evolution double bill from a double twisting World Aerobic Champion. Inspired by the samba, rumba and the cha cha, Nick effortlessly transforms basic steps into fantastic segments of choreography that focus on the elegance and musicality within movement. A choreography heavy video that supplies inspiration for both Step and Latin / Dance aerobic choreography classes. With tons of infectious attitude and passion this is a temperamental workout for the mind the body and the booty!

KICK BOX COMBOS

With Steve Schiemer • 60 min • VHS > VKICKBO107B

If its Kick Box combinations you want...look no further. With a major focus on technique, this video will improve not just what you teach, but more importantly how you teach it! Borrowing from such diverse styles as Boxing, Tae Kwon do, Kung-Fu, and Kick Boxing, Steve will show you step by step the process for both technique training as well as for learning, building and then teaching the sequences. All techniques and choreography are performed evenly on both right and left sides of the body, creating a balanced and safe workout.

With his own powerful style and traditional background Steve's assured approach and presentation ensures that this is as close to real martial arts fighting as you can get.

SUPER STEP

With Rebecca Small • 65 min • VHS > VSUPSTE21C

The Queen of step is back! Four complete classes have been taught in one short hour, giving you maximum choreography value. Using her unique "Balanced Way" method, Rebecca never takes any short cuts. This video supplies you the instructor with all the teaching techniques and information needed to deliver these amazing multi levelled combinations to your students straight away. Rebecca guarantees that all of the combinations and learning curves are completely symmetrical, perfectly balanced and 100% cool. If you are looking for a video that delivers 'just what it says on the pack' and enough ideas to last you a whole year then Super Step, Rebecca's latest instalment of genius combinations, is just for you.
